Classic **Bulbs**

The Pride brand was born from a love of classic cars and an expertise in automotive components.

We understand what it takes to deliver trusted, reliable parts. But more importantly we understand what maintaining and restoring your pride and joy means to you.

With a clear focus on British classic cars, our classic parts range benefits from expertly crafted components, packaged with care and presented with genuine pride.

Pride is a brand with Great British values, a brand that becomes part of your individual journey. Crafting high standards with fair pricing is key to our success and your enjoyment.

We take pride in your joy.

This brochure gives an overview of our most common bulbs for British classic cars and motorcycles. If you need assistance sourcing a specific bulb please email enquiries@prideclassic.co.uk

We also have brochures for lighting, traditional ignition, switchgear and more. Request your copy online at...
